**Jeffrey and Katy Barsch** are Directors of the Ventura Healing Rooms/Sozo Center in Ventura, California. Prior to starting the Ventura Healing Rooms in 2002, Jeffrey served at a local church for five years as a Christian counseling and in the church prayer ministries. They are now Regional Directors for Bethel Sozo.

## What's Sozo all about ?

- 1 Sozo is an inner healing/deliverance ministry
- 2 Sozo is simple, fast, Spirit-led and effective
- 3 Sozo finds issues in minutes instead of years
- 4 Sozo helps heal our relationship with God which then enables us to fulfill our destiny

## Goals:

The goal of the Basic Sozo training is to provide tools and information for training in Sozo ministry. In the Basic Training we will be teaching the Father Ladder, Four Doors, Presenting Jesus, and The Wall.

The seminar is set up so that once the Sozo training is completed and the church or organization develops some experience, that group is then able to start a Sozo ministry.

The tools and information are helpful for those in other inner healing/deliverance ministries, healing rooms, prayer or counseling ministries.
