

Guidelines for “An Evening of Worship and Healing”

Prayer Teams, Prophetic Teams, Prophetic Art

Thanks for coming to serve God tonight through your prayers and prophetic words.

- A. **Name Badge:** Only those with name badges will be allowed to pray, prophesy, or minister healing.
- B. **Sign-in** on clip-board on the “Team Table”, letting us know what church or ministry you are currently serving with, what 1 or 2 hour time slot you can pray, and if you have a prayer partner or need one.
- C. **Pre-service prayer:** 5:30 - 6:00 pm in Room #4.

Microphone guidelines - praying, prophesying, or giving a testimony

Sue Burdullis or Lynn Gorospe will be in front on the open microphone. If you have a scripture, prayer, prophetic word, or testimony, please come forward to Sue and/or Lynn. They will see when the opening is between songs and the flow of the evening to release what is on your heart from God.

1. **Time:** Think about 2-3 minutes. Remember, this is not a time to teach or preach.
2. **Help our guests to encounter Jesus through your sharing by one of the following:**
 - a. Have them raise their hand, if that word applies to them and repeat a declaration or scripture out loud after you over themselves or their situation.
 - b. Have a prayer team member(s) with a badge come and lay hands on them.
 - c. Have them come forward so you (or prayer team members) can lay hands and pray or prophesy away from microphone.
3. **Biblical Based Prayers**
 - a. Read a bible verse(s) out loud stating the address of the bible verse followed by a short prayer or declaration.
 - b. Pray for the values and ideas in the passage rather than against anything.
 - c. Do not bind the demonic or make your prayers focus on the enemy over the microphone.
 - d. Rapid Fire Prayers –These are 15 to 30 second prayers – brief biblically based prayers.
4. **Prophetic Words**
 - a. Prophesy over an individual the Lord is highlighting or over everyone about what God is saying.
 - b. Prophesy into God’s vision for 2020 for Ventura County or us as individuals.
5. **Testimonies**
 - a. Have person you have prayed for fill out written testimony or you do it for them.
 - b. Invite person to share it publicly or ask permission for you to do it for them.
